Sammamish EX3 Teen & Recreation Center Become a Founding Business Partner!

Do you know that the renovation of the Sammamish EX3 Teen & Recreation Center began on July 18 and is expected to be completed this fall? Are you looking to increase your customer base while demonstrating your support of our community? So that you can expand the outreach of your business and show your support of the future of our youth and teens, we hope you will become a Founding Business Partner because ***we need support from businesses like you to achieve our operational budget goal.***

The 10,000 square foot facility will be operated by the Redmond/Sammamish Boys & Girls Club and will include a performance stage, teaching kitchen, technology lab, games room, study space, multi-purpose room, and a future gymnasium. The facility will also be available for community use during school hours.

Although over \$1 million for the renovation has been raised from corporate, foundation, and individual gifts, we still need to secure \$250,000 in contributions for operating costs. To meet this goal, we have embarked on a Community Campaign consisting of appeals to area businesses, community groups, and individuals. ***It is our hope that you, a Sammamish area business owner, will support the Community Campaign by becoming a Founding Business Partner.***

Becoming a Founding Business Partner enables you to be ***permanently recognized*** in this facility to be used for generations. Thousands of Sammamish area teens, parents, and community members will see your business's name on our recognition wall as a Founding Business Partner every time they enter the facility. In addition, we will advertise your business in tour packets, display your logo and link on our website, recognize you at our Grand Opening event, and provide discounts for future sponsorship opportunities.

Further benefits and details as well as a participation form are enclosed. Please contact Jeremy Peck at 425-250-4786 or jpeck@positiveplace.org if you have any questions or would like additional information. We hope you will become a Founding Business Partner and are confident that our teens, and your business, will benefit from your support.

Businesses that commit before September 30 will receive a special discount! Details enclosed!
