

The Boys & Girls Club policy on snow closures is as follows:

If school is delayed, AM care will be CLOSED. (We will be open that same day after school.)

If school is released early, the Club and all sites will close as soon as all the children can be picked up. Parents are asked to come as early as possible so that all children and staff may arrive home safely.

If school is canceled due to weather or power outages, the Club and all sites will also close that day. Call the site for a recorded message or watch or listen to the local news stations for information.

If school was already closed due to a holiday or planned closure, and the Club and sites were originally going to be open, a decision will be made to determine the safety of the children and staff commuting. Any Club and site closure will be posted on the voicemail for parents to access.
